Membership Committee

Big thanks to Myra Thompson, EA membership chair. She has taken great strides in reviving the Membership committee!

Save the Date for next Membership Orientation December 7th!

@ Villages Club House

[Next membership committee meeting will be October 18th](#)

[Fall Webinar Series*](#)

November and early December, NTPI Fellows® and advanced tax practitioners may take advantage and earn 2 CE

President's Message

Dear Membership,

Happy extension filing deadline everybody, I hope your business has prospered and continues to in the coming year. As the holidays rush into your life and family becomes the center of it all I hope you can take the time to enjoy the fruits of your labors.

I have gained some perspective while in the middle of a "Whole 30" diet plan with my wife. As the name implies it's a 30 day plan of eating that excludes; additives, sugars, grains, and dairy. We have both been complimented on how we are looking and can feel the difference. There's no checking the scale until the 30 days are up, so you will have to check back in next month to get that number. My perspective is this, "there are many things that I can do without and be healthier because of it". I have experienced the same thing with my family and friends, the best and most memorable times are the ones that I actually spend with them for a meal, a bonfire, a board game, darts, or just a walk. Within the Enrolled Agent community I have found exactly the same thing, connections that will last a lifetime.

There are members that I call on just because they are friends that I have met and connected with because I attend MSEA events, CSEA events, SIG groups, etc. With that I hope everyone can disconnect from the digital and connect with family, a friend, and a colleague.

Thanks

Chris Grindy, EA

President Mission Chapter of the California Society of Enrolled Agents

MSEA Monthly Meeting:

[Luncheon Meeting:](#)
