Mission Society of Enrolled Agents

Make the MOST of your membership by joining
MSEA Committees!

Dearest Membership,

It is both a privilege and honor to serve on the board of Mission Society of Enrolled Agents. Mission Society has been established for almost 45 years, and has developed a great organization which Enrolled Agents, and all tax professionals, should be proud of. MSEA has consistently presented top educational offerings and great networking opportunities through its monthly meetings. It is through committees we are able to bring forth our ideas and make them a part of our reality!

All Mission Society offerings are made possible through Committee work. It has taken hard work from our Leaders in this membership to put together creative ways to empower enrolled agents with top level education, grow our public awareness, and give back to the communities in which we live and work. Innovative ideas are needed to improve or enhance our current strategic plans. Mission Society is accepting new members to join Committees of interest! Step into your Leadership shoes and march with us into the 21st Century of Enrolled Agents!
