You must have been a member of MSEA for 10 or more years to receive the Lifetime Achievement Award.

### B. Booster of the Year

This award is given to recognize a volunteer that is not an Enrolled Agent whose efforts have contributed toward the enhancement and/or improvement of Enrolled Agents or Mission Society of Enrolled Agents.

If you know one of our members who has gone "above and beyond" in any of the above categories, please [download our form](#) and follow the instructions for submission.
