Dory Clark - Associate Tax Auditor

Dory has worked for the California Department of Tax and Fee Administration (formerly the Board of Equalization) for 7 years. She has conducted Sales and Use Tax audits on various types of businesses and industries. The audit types range from retail to manufacturing and from medium to large sized businesses. Currently Dory is a tester and trainer for our Centralized Revenue Opportunity System (CROS). She has bachelor's degree in Business Administration - Human Resources from San Jose State University.

Elizabeth Nguyen - Business Taxes Compliance Specialist

Elizabeth has worked for the California Department of Tax and Fee Administration (formerly the Board of Equalization) for 9 years. She has extensive experience in Sales and Use Tax collections of medium to high liabilities for active and closed out accounts. Currently Elizabeth is one of our Points of Contact for our Centralized Revenue Opportunity System (CROS). She has bachelor's degree in Computer - Mathematics from San Jose State University.

Jamie Perron - Tax Technician III

Jamie has worked for the California Department of Tax and Fee Administration (formerly the Board of Equalization) for 13 years. She has extensive experience with Sales and Use Tax new business registrations, return processing, cashiering, and delinquencies. In her current position as a level three tax technician, Jamie is responsible for collections on active and closed out accounts with small liabilities. Currently Jamie is our main Point of Contact for our Centralized Revenue Opportunity System (CROS). She provides staff training and is involved in the process of making recommendations for improvements to our CROS system for external customers and internal employees.
